EDUCATION

École Supérieure en Sciences et Technologies de l'Informatique et du Numérique (ESTIN) Bejaia, Algeria
Bachelor's Degree in Computer Science 2022 – Present

Algerian Baccalaureate – Mathematics Algeria
Final Grade: 16/20 (Très Bien / Very Good) 2022

PROFESSIONAL EXPERIENCE

Freelance Full Stack Developer Remote
Independent Contractor 2022 – Present

- Delivered **4+ full-stack web projects** for various clients with end-to-end ownership from design to deployment.
- Built **PostPlan** – a social media management platform that allows users to connect and manage all their social media accounts from a single unified dashboard. Project budget exceeded **\$1,000+**.
- Built scalable and maintainable codebases across diverse domains using modern web technologies.

Front-End Developer Intern Bejaia, Algeria
Kleer Infini Export 2024

- Developed the **Expéditeur (Shipper) space**, a dedicated portal for managing shipping and export operations.
- Implemented a complete **authentication flow** including registration, login, password reset, and session management.
- Collaborated in a professional team environment following industry-standard development practices.

Full Stack Developer Intern ESTIN, Bejaia, Algeria
CDE Projects Management Platform – ESTIN 2024

- Built an internal platform to manage **CDE (Cellule de Développement et d'Encadrement) end-of-study projects** for 5th-year students.
- Designed and implemented both front-end and back-end systems, including project submission, tracking, and evaluation workflows.
- Delivered a production-ready system used by students and faculty at ESTIN.

Full Stack Developer Intern ESTIN / Musée de Bejaia, Algeria
Museum of Bejaia – Digital Archive Platform 2023

- Collaborated with the **Museum of Bejaia** to design and develop a full-featured website for showcasing collections and cultural archives.
- Designed a **custom database schema** to model and manage the museum's diverse historical data and media assets.
- Implemented full-stack features including content management, search functionality, and archive browsing.

LEADERSHIP & ACTIVITIES

Development Department Manager ESTIN, Bejaia, Algeria
ByteCraft Scientific Club 2023 – Present

- Led and managed the development department of ByteCraft, ESTIN's scientific club, overseeing technical projects and mentoring junior developers.
- Coordinated team efforts across multiple projects, ensuring delivery of quality software solutions within the club's initiatives.

External Relations Department Manager Bejaia, Algeria
LDC Cultural Club 2023 – Present

- Managed external relations and partnerships for LDC, a student cultural club, building connections with institutions and organizations.
- Represented the club in official communications and collaborative events, strengthening its presence and network.
